

## How to install a content pack:

---

### Windows

1. Open Windows Explorer and open your C:/ drive, or wherever Toontown Rewritten has installed on your PC.
2. Find “Program Files x86”, and then locate the “Toontown Rewritten” folder.
3. Drag the “resources” folder into the Toontown Rewritten folder, and launch the game.

---

### macOS

1. Open Finder.
2. On your keyboard, click, ⌘⇧G (command, shift, G)
3. Copy and paste “~/Library/Application Support/Toontown Rewritten”. Hit Go.
4. Drag the “resources” folder into the Toontown Rewritten folder. Launch the game.

---
